Natural Fairystone Crosses

BEST SELLERS!

RARE!

Amazing twined staurolite crystals form a natural "faceted" cross and are known to be found in a couple places on earth - one in Patrick County, Virginia. Legend has it that in ancient times when the news of the death of Christ was brought to the fairies that roamed the land in Patrick County, the tears they shed fell upon the earth and were crystallized into these beautiful crosses. You could say they're made by the Divine Hands of God. These are from an extra nice lot. All are natural color and have gold colored findings and are ready to be hung on chains or cords. **SALE PRICED!**

Concave Cut Faceted Cubic Zirconia - Super Prices While They Last!

Regular Concave Cut
(Enlarged for Detail)

These are the latest in faceted stones and they are GORGEOUS! Concave cutting is the process in which each cut (except for the table or top of the stone) is concave or curved inward. When genuine cubic zirconia is cut this way it gives off AMAZING FIERY LIGHT! We are offering two styles of these cut stones - Regular Concave Cut which uses more traditional angles but in concave cutting, and Flower Concave Cut which uses more angle so the effect is more swirled. Both cuts are DAZZLING. Three round sizes in each cutting style and three colors per size, all at LOW PRICES!

These will make any jewelry piece LIGHT UP or they're great for collectors and eye-catchers for your displays! Prices are per stone.

ITEM #64-121 Necklace Wire Six for \$24.30 (Sizes
ITEM #64-122 Ring Wire may be mixed)

"A" Quality Magnetic Hematite* Beads

These beads are amazing! They're faceted, hematite colored, lodestone beads that are magnetic enough to attract each other firmly side to side. This makes it possible to string a long necklace using the magnetic beads as spacers, then change it into a y-necklace, multi-strand choker, or a multi-strand bracelet by sticking the magnetic beads together as shown in photos. Use them with crystal beads, gem beads, chips, or whatever you desire and produce beautiful and versatile jewelry! Actual size of the bead is 5mm x 8mm.

Gold Color Accented Mabe Pearl Pendant Assortment

While They Last!

Stunning!

Gorgeous!

Genuine Mabe Pearl Pendants (sometimes called blister pearl) with sparkling gold color accented leaves, carved edges and outside rim of each one. The process used for the gold accenting is similar to "electro-forming" so the gold is firmly attached. Some are natural browns, tans, and whites while others are color enhanced in pastel pinks and greens. The process makes the color stable and dyefast. Most have multiple pearls that appear as fruit on a vine with carved leaves about them. Approx. average length is 2 inches although styles may vary. All are ready to hang from chains or cord. Sold in assortments of three pendants.

ITEM #40-051 \$14.95 per assortment of 3 pendants

Stunning 30x40mm Inlaid Pendants

These pendants are STUNNING TO BEHOLD! Beautiful Unakite or flashy Labradorite expertly inlaid in jet black stone and hand polished to a bright shine.
